

OLIVIA WINSTANLEY

902-899-2920 | oliviawinstanley05@gmail.com | oliviawinstanley.com

PROFILE

Web Programming student with hands-on experience building responsive, user-focused web applications using Next.js, ASP.NET Core MVC, Java, PHP, and modern CSS. Proficient with SQL and MongoDB, and familiar with REST APIs, Git, and collaborative development workflows. Currently expanding skills in Swift and Laravel. Passionate about designing efficient, intuitive websites and eager to contribute to real-world projects while continuing to grow as a developer.

WORK EXPERIENCE

NSCC E-Sports Lounge

January 2025 - April 2025

- Configured and maintained gaming PCs and Windows environments, resolving hardware and software issues to minimize downtime
- Supported network troubleshooting for multiple workstations, improving system reliability during events
- Provided on-site technical support, strengthening problem-solving and communication skills

Winners

June 2025 - Present

- Balanced tills and prepared daily deposits with 100% accuracy
 - Resolved customer issues efficiently by identifying root causes and applying troubleshooting strategies
 - Maintained organized workflows while collaborating in a fast-paced team environment
-
